**15 MILLION ACRES**

The largest conservation  
easement in Canadian history

MCINTYRE RANCH

55,000  
ACRES

BOREAL MAPPING

**363 MILLION ACRES**

A large, modern building with a stone facade and a flat roof sits on a grassy hill overlooking a body of water. The building has several windows and a small structure on the roof. In the foreground, there is a wooden gazebo on a small pier in the water, and a boat is docked nearby. The water is calm, reflecting the building and the sky. Tall reeds are visible in the foreground and along the shoreline.
