

Join all your duck friends at the State Convention to celebrate our own Jim Hulbert. He rose from Area Volunteer to Chairman of the Board of Ducks Unlimited. Local boy done good! Now as he steps down as Chairman, we can review his success and take a few shots .. have a few laughs.. recognize his efforts for the Ducks !!

This will be our State's opportunity to give Jim a special thank you!

"Hello DU friends... The Washington State convention is June 26th through the 28th in Spokane. This is a great opportunity to reacquaint with old friends and meet new ones. Jim Hulbert will be attending and we will be recognizing his dedication to Ducks Unlimited. There will be a special Friday night Waterfowler Hunters Party with killer prizes! Saturday's events will include informative meeting, recognition of accomplishments and of course, great fun. Please join the festivities." **Bob Dewar 2008-2010 Washington State Chairman**

Canada Firearm Users Visiting Canada

Apply for a five-year Possession and Acquisition Licence (PAL) and register the firearms in Canada. The PAL must be issued before the firearms can be registered. To apply for a PAL, applicants must provide evidence that they have passed the written and practical tests for the Canadian Firearms Safety Course., CFSC. <http://www.rcmp-grc.gc.ca/cfp-pcaf/fs-fd/visit-visite-eng.htm>

Wash. St. DU has coordinated to have a certified Canadian trainer to give the training and complete your application for the PAL. We need to know how many people desire to take the course. We will need to have at least 10 participants to hold the training. Cost of the training is estimated between \$75 and \$100 depending on the number of people taking the course. Obviously if the demand is too high, first come first served.

If you are interested in attending this course, please notify Dennis Keller before June 1st. email Dennis Keller @ Lablover2006@yahoo.com or call 425-238-1078
